

10 January 1951

MEMORANDUM FOR: Assistant Director for Policy Coordination

SUBJECT: Request for National Security Council
Documents

1. Your memorandum of 15 December 1950 to the Director, reference OPC being given its own copy of NSC documentation, was referred to me for action. I have consulted with the NSC Secretariat and have been advised that in view of the leaks involving NSC 68 it was the President's desire to reduce rather than expand distribution of NSC documentation. In view of this I told Mr. Gleason of the NSC that I would try to make satisfactory arrangements within the Agency on the basis of the five copies we now get. In the telephone conversation with Mr. Hulick of your Office on Monday, 8 January, I said that I would seek to arrange that you should receive one copy for your use.
2. In reporting my proposed arrangements to the Deputy Director and with the concurrence of Mr. Dulles I was instructed to arrange that the copy for OPC should be routed to Mr. Dulles' Office and that he would arrange for OPC access.
3. Therefore I am asking the Executive Registry to make the distribution to Mr. Dulles and to give me one copy for internal distribution, which copy will return to me for file.

JAMES G. REHER
Acting Assistant Director
Intelligence Coordination
